

# SHIVAM NARAYAN LAHANE

B.E. - Computer Science & Engineering

Ph: +91-9890246611

Email: shivamlahane.sknsits.comp@gmail.com

Pune, Maharashtra, India - 410401

## EDUCATION

### SKN Sinhgad Institute of Technology & Science

2022 - 2026

B.E. - Computer Science & Engineering | CGPA: 7.34 / 10

### Shri Sakeshwar Science Junior College, Sakat

2022

12<sup>th</sup> | Percentage: 81 / 100

### Modern High School Shivaji Nagar, Pune

2020

10<sup>th</sup> | Percentage: 80.40 / 100

## INTERNSHIPS

### Namebing Solution LLP | IT / Computers - Software

15 Dec, 2024 - 15 Feb, 2025

Intern

**Key Skills:** HTML, CSS, Java, Javascript, SQL, NO SQL, PL SQL

During my internship at Namebing Solution LLP, I worked on several projects focused on web development. My primary responsibilities included:

- Developing responsive and user-friendly web pages using HTML, CSS, and JavaScript.
- Implementing modern web design practices to enhance the user interface and overall user experience.
- Collaborating with the development team to optimize websites for performance and accessibility.

This hands-on experience allowed me to refine my skills in frontend development, problem-solving, and teamwork while contributing to the successful delivery of the company's projects.

## PROJECTS

### Restaurant Website

15 Jan, 2025 - 15 Feb, 2025

Mentor: Self

**Key Skills:** HTML, CSS, Javascript, API

**Project Link:** <https://shivamcode10.github.io/Restaurant-Website/>

I am excited to create a Restaurant website using HTML, CSS, and JavaScript, highlighting my front-end skills and API integration. This responsive site features a well-structured menu and smooth navigation for an enhanced user experience. Through this project, I aim to refine my web development expertise and create engaging, functional websites.

### Portfolio Web Page

15 Dec, 2024 - 04 Jan, 2025

Mentor: Self | Team Size: 1

**Key Skills:** HTML, CSS, JAVASCRIPT

**Project Link:** <https://shivamcode10.github.io/Portfolio-Website/>

I am excited to create my first portfolio website using HTML, CSS, and JavaScript. This project will showcase my skills, creativity, and passion for web development. Through this portfolio, I aim to present my projects, highlight my technical expertise, and provide insights into my journey as a computer engineering student.

## ASSESSMENTS / CERTIFICATIONS

### SQL Essential Training

Aggregate: 7.40 / 10

**Key Skills:** SQL
